- You will be informed - on request and on your invoice - of the price of any medication that may be dispensed for your animal.
- Scott Mitchell Veterinary Care Ltd requires that any animal needing a repeat prescription must be re-assessed **at least** every 6 months.

- During the 6 months after re-assessment, repeat prescriptions will be at the Veterinary surgeon's discretion – we advise all clients that we need at least 48-hour notice for a repeat prescription. If circumstances have changed since your animal was last examined, you must keep us informed of these changes.
- Further information on the price of medicines is available on request.
