PRESCRIPTION NOTICE

Veterinary Prescriptions are available from Scott Mitchell Veterinary Care Ltd.

You may obtain Prescription Only Medicines, Category V (POM-V) from Scott Mitchell Veterinary Care Ltd OR ask for a written prescription (£21) and obtain these medicines from another Veterinary Surgeon or pharmacy.

- Your Veterinary Surgeon may prescribe POM-Vs only for animals under his/her care.
- A prescription may not be appropriate if your animal is an in-patient or if immediate treatment is necessary.
- You will be informed - on request and on your invoice - of the price of any medication that may be dispensed for your animal.

Scott Mitchell Veterinary Care Ltd requires that any animal needing a repeat prescription must be **re-assessed at least every 6 months.**

The standard charge for a consultation is £65.00 (additional mobile charge of £69.00 may apply)

During the 6 months after re-assessment, repeat prescriptions will be at the Veterinary surgeon's discretion – we advise all clients that **we need at least 48-hour notice for a repeat prescription**. If circumstances have changed since your animal was last examined, you must keep us informed of these changes.
